#### DESCRIPTION

The Dreamstitcher™ 787 portable 2/3/4 thread overlock machine is packed with the features that sewers; professional and home users have asked for.

The 787 is easy to use, does a beautiful professional stitch, and is built to give years of trouble free operation. It's equipped with handy features like an automatic thread trimmer, automatic tension release when the pressure foot is raised, overedge cutting width dial adjustment, quick release lever for removing the presser foot and many more.

All of the convenience features are standard to make your job easier; a differential feed for difficult or stretchy fabrics, built-in light, motor and foot pedal, and of course our trusted reputation for building quality, long lasting equipment.

#### BEST USED FOR

All types of woven and stretch fabrics  
Sewing workrooms, alteration shops, home/cottage use
